- (b) **Copies Requested from Clerk's Office.** Any entity seeking copies or certification of copies of documents on file with the Clerk shall submit a request in writing or in person, which request shall be accompanied by a business check, money order, cashier's check, or, in the Western Division only, cash in the proper amount for copies and any applicable search fee. The check or money order shall be made payable to the "Clerk of the Bankruptcy Court." The fee for copies will be calculated according to the Bankruptcy Court Miscellaneous Fee Schedule published at 28 U.S.C. § 1930(b), a copy of which may be found on the Court's Website.

**TNWB LBR 5070-1**  
**NOTICES OF SETTLEMENT**

Whenever a contested matter or adversary proceeding is settled or otherwise disposed of outside of a hearing, counsel shall immediately notify the Courtroom Deputy assigned to the case and any trustee appointed in the case and shall promptly submit a proposed consent order for approval and

entry. In addition, to obtain approval of a compromise or settlement in an adversary proceeding, a motion must be filed in the main bankruptcy case pursuant to Federal Rule of Bankruptcy Procedure 9019 and served as directed in Federal Rule of Bankruptcy Procedure 2002(a)(3).

**TNWB LBR 5071-1  
CONTINUANCES**

**(a) Continuance of Hearings.**

(1) If the parties agree, a request for a continuance in a Chapter 7, 11, or 12 case may be directed to the Courtroom Deputy assigned to the case. A request for a continuance in a Chapter 13 case should be directed to the Chapter 13 trustee.

(2) If the parties cannot agree, a motion for continuance should be made. All requests for continuance should be made at the earliest time that the necessity for continuance appears to counsel. Requests for continuance should be made by written motion or, in emergencies, by oral motion in open court. The party who moves for a continuance must give notice of the requested continuance to all interested parties. If the motion is granted, the moving party shall give notice of the new hearing date to all interested parties unless otherwise directed by the court.

**(b) Continuance of Meetings of Creditors.** Requests for continuance of a Meeting of Creditors should be addressed to the case trustee or, in Chapter 11 cases, to the United States Trustee.

**TNWB LBR 5076-1  
COURT RECORDING SYSTEM**

**(a) Official Record.** The Court has adopted an electronic sound recording system as the official record of hearings. Unless the court orders otherwise, deputy clerks known as "Electronic Court Recorder Operators" will make the official recording of all hearings.

**(b) Courtroom Decorum.** The production of an acceptable record of a hearing requires discipline and order in the courtroom. Extraneous noise, unnecessary interruptions of witnesses or attorneys, and low or mumbled speech may make production of a quality recording and transcript more difficult. To assure the quality of the audio recording, all persons are requested to speak clearly into a courtroom microphone and not to interrupt other attorneys, witnesses, or the court.

**(c) Appearances.** In order to create an accurate record, every attorney must state his/her name, the name of his law firm, the name of his/her client, and the case or proceeding number in which he/she is interested at the beginning of each announcement or hearing.

**TNWB LBR 5077-1  
TRANSCRIPTS**

Instructions for ordering audio recordings or transcripts of hearings may be found on the Court's Website.

**TNWB LBR 6007-1  
ABANDONMENT OF PROPERTY**

(a) **No Asset Chapter 7 Cases.** In Chapter 7 cases in which the debtor estimates that no assets will be available for distribution to unsecured creditors, the Clerk will issue a Notice of Chapter 7 Bankruptcy Case—No Proof of Claim Deadline (Official Form 309A) which will give notice to creditors that the trustee may abandon property at or after the Meeting of Creditors. In that event, no additional notice of the trustee's intent to abandon property is required. See Bankruptcy Code § 554 and Fed. R. Bankr. P. 6007(a).

(b) **Notice Requirements – Asset Cases.**

(1) **Property Valued Under \$2,000.** Notwithstanding Bankruptcy Code § 554 and Federal Rule of Bankruptcy Procedure 6007(a), a trustee or debtor in possession need not give notice of abandonment of property with a net value to the estate of less than \$2,000 per item and less than \$5,000 in the aggregate.

(2) **All Other Instances.** In all other instances, any party seeking abandonment of property of the estate should file a motion to compel abandonment that conforms to TNWB LBR 9013-1.

**TNWB LBR 6070-1  
TAX RETURNS**

(a) **Filing of Tax Returns.** The entity required by applicable tax laws to file timely returns and make timely tax payments on behalf of the estate shall do so. In Chapter 11 and 12 cases, copies of such returns shall be provided to the United States Trustee.

(b) **Tax Deposits.** Unless excused by the United States Trustee or the court, any entity operating the debtor's business during the pendency of a bankruptcy case shall segregate and deposit all sales taxes and all payroll taxes withheld from employee earnings into a separate bank account. Such funds shall be used solely for payment of sales or payroll taxes to the appropriate taxing authority.

(c) **Failure to Comply.** Failure to comply with this Local Rule may constitute cause for dismissal or conversion of the case, or for the appointment of a trustee.

**TNWB LBR 7016-1**  
**CONTESTED MATTERS AND ADVERSARY PROCEEDINGS**

- (a) **Scheduling Orders, Pretrial Statements, Memoranda of Facts and Law.** In the discretion of the court, parties to a contested matter or adversary proceeding may be permitted or required to submit a proposed scheduling order, pretrial statement, or a memorandum of facts and law. Any memoranda of facts and law shall be served upon the parties, their counsel, any trustee, and the United States Trustee. Memoranda should not exceed twenty-five (25) pages without prior approval of the court.
- (b) **Citations.** Unless an opinion cited in a memorandum or in open court is available electronically through Westlaw® or Lexis®, counsel shall attach a copy of the cited case to its memorandum or provide a copy to the court at least seven (7) days before the hearing.

**TNWB LBR 7026-1**  
**GENERAL PROVISIONS GOVERNING DISCOVERY**

- (a) **Discovery Procedure.** All discovery is governed by Federal Rules of Bankruptcy Procedure 7026-37. Interrogatories, requests, answers, and objections should not be filed with the Clerk unless it is necessary to make them a part of a discovery or other motion.
- (b) **Discovery Disputes.** In the event of a discovery dispute and prior to the filing of a motion, all counsel (and any unrepresented parties) shall confer at least telephonically in an effort to resolve the dispute. All discovery motions must certify that a reasonable effort has been made to reach agreement on disputed issues.
- (c) **Electronic Filing.** Any discovery filed with the Clerk should be filed in Portable Document Format if possible. If this is not possible, then a summary of the discovery should be filed electronically and the original retained pending further order or resolution of the dispute.
- (d) **Opt Out.** By Miscellaneous Order 93-2, the bankruptcy judges in this District have opted out of the mandatory disclosure provisions contained in Federal Rule of Civil Procedure 26(a) (1-4) and (f). In a particular contested matter or adversary proceeding, however, the court may require compliance with one or more of these provisions.

**TNWB LBR 8009-1**  
**DESIGNATION OF RECORD ON APPEAL**

**Specificity of Designations.** Designations of the items to be included in the record on appeal shall identify the specific items, document by document, to be included in the record on appeal. General, catch-all designations of the items to be included in the record such as “all bankruptcy files” or “the entire case and/or proceeding record,” may result in the record being considered incomplete by the appellate court. Only that part of the record necessary for the appeal should be designated.

**TNWB LBR 9003-1**  
**REQUESTS FOR SPECIAL SETTINGS AND EX PARTE RELIEF**

All motions for which a special or expedited setting is sought and all motions seeking emergency or ex parte relief should be filed with the Clerk who will promptly refer the motion to the Courtroom Deputy assigned to the case for setting.

- (a) **Unwarranted Requests for Expedited Hearing or Emergency Relief.** Unwarranted requests for expedited hearing or emergency relief may subject counsel and/or the parties to discipline.
- (b) **Turnover Complaints in Chapter 13 Cases.** Complaints for turnover of vehicles and deposit accounts in Chapter 13 cases are entitled to an expedited setting. Pursuant to Federal Rule of Bankruptcy Procedure 9006(c)(1), notice of these hearings shall be shortened to the time set by the Courtroom Deputy without the need for a separate motion requesting an expedited hearing. In all other instances a motion to expedite the trial of a complaint for turnover should be filed.

**TNWB LBR 9013-1**  
**MOTIONS – FORMS AND SERVICE**

- (a) **Scope.** This Rule applies to all motions, applications, objections to claims, and proposed consent orders in which relief is sought after notice and hearing. *See* Bankruptcy Code § 102(1). This Rule does not apply to voluntary or involuntary petitions, motions for final decree, or motions for Rule 2004 Examinations of debtors. *See* TNWB LBR 1002-1, 1003-1, 2004-1, and 2081-1 regarding matters excepted from this Rule.
- (b) **Chapter 7, 11, or 12 Cases.**
  - (1) **Deadline for Objections.** A party seeking an order in a Chapter 7, 11, or 12 case should file a motion or application with the Clerk. Unless otherwise ordered by the court, the Courtroom Deputy will fix a date for the filing of objections, if any, and an initial date and time for hearing. The moving party must serve a copy of the pleading as directed in Federal Rule of Bankruptcy Procedure 9013.
  - (2) **If No Objection is Filed.** If no objection is timely filed, the relief sought may be granted without an actual hearing. Once the deadline for filing objections has passed, the moving party may submit a proposed order together with a certificate indicating that the moving party has reviewed the docket and determined that no objection was timely filed (Local Form 008F). Only the signature of the party or attorney preparing the order must appear on the order. *See generally* TNWB LBR 9074-1 for the signatures required on other proposed orders.
  - (3) **If an Objection is Filed.** If an objection is timely filed, the matter will be heard when scheduled.

(4) **Content of Objections.** Objections must: (i) state the basis for the objection; (ii) include copies of supporting documents; (iii) set out the date of the hearing in the first paragraph; and (iv) include a certificate of service stating when and how the objection was served upon the movant, the debtor, the case trustee, the United States Trustee, and, in matters in which the United States is an interested party, the United States Attorney, as well as other affected parties.

(c) **Chapter 13 Cases.**

(1) **Filing a Motion or Application.** A party seeking an order in a Chapter 13 case should file a motion or application with the Clerk. The Courtroom Deputy assigned to the case will set a date for hearing calculated to give interested parties not less than twenty-one (21) days' notice prior to the scheduled hearing unless otherwise ordered by the court. The moving party must serve a copy of the motion or application as directed in Federal Rule of Bankruptcy Procedure 9013.

(2) **At the Hearing.**

(A) **If No Party Objects.** If no party appears to resist the relief sought at the date and time set for hearing, the motion, application, or objection may be granted or sustained without hearing. The moving party should advise the Courtroom Deputy and the Chapter 13 trustee and should promptly submit a proposed order to the Chapter 13 trustee for signature. See TNWB LBR 9074-1 for the signatures required on proposed orders.

(B) **If the Parties Agree.** If the parties agree on the disposition of a contested matter, they may announce their agreement on the date and time set for hearing and submit a proposed order to the Chapter 13 trustee for signature.

(C) **Conferring with Opposing Counsel.** If counsel for a party affected by the relief sought is known to counsel for the moving party, then counsel should make a good faith effort to confer with opposing counsel regarding the matter prior to the scheduled hearing.

(D) **If There is an Objection.** If a party appears at the scheduled hearing and objects to the relief sought, the Courtroom Deputy will set the matter for hearing in accordance with chamber's practice.

(d) **Responsibility for Service.** Whenever a party is directed by Local Rule to serve a notice, motion, application, or other document, it is the responsibility of that party to identify (by judicial determination, if necessary) and serve all entities upon whom service is required by the court, the Bankruptcy Code, the Federal Rules of Bankruptcy Procedure, these Rules, or the Clerk. To assist the responsible party, the Clerk will provide a copy of the Mailing List when returning documents for service.

(e) **Service by the Clerk.** The other provisions of these Rules notwithstanding, the Clerk will serve the following:

- (1) All orders;
  - (2) Notice of entry of orders of conversion or dismissal, including notices required by Federal Rule of Bankruptcy Procedure 1017;
  - (3) Notice of the Meeting of Creditors, the date fixed for filing claims against surplus funds of the estate, and the date fixed for filing proofs of claim;
  - (4) Notice of the filing of a proof of claim by the debtor or the trustee.
  - (5) Notice of the date fixed for filing complaints pursuant to Bankruptcy Code §§ 727 and 523(c);
  - (6) Notice of the filing of a notice of appeal;
  - (7) Notice of entry of orders denying, revoking, or waiving discharge; and
  - (8) Notice of hearing regarding contempt of court.
- (f) **Expenses of Noticing.** Without the necessity of an order, the debtor in possession or the trustee is authorized to pay the expenses of serving notices or other documents required by the Federal Rules of Bankruptcy Procedure or these Local Rules. The cost of service shall be disclosed in any subsequent application for reimbursement of expenses, which shall be subject to review and approval by the court.

**TNWB LBR 9019-1  
MEDIATION**

- (a) **Types of Matters Subject to Mediation.** Upon consent and/or request of the parties, the court may assign any dispute arising in a bankruptcy case to mediation, whether or not any contested matter or adversary proceeding is presently pending with respect to the dispute. Parties to a contested matter, adversary proceeding, or dispute not yet pending before the Court may also stipulate to mediation subject to court approval.
- (b) **Mediator.** The court may, subject to the parties' consent and the availability of such persons, appoint one of the following persons to serve as the Mediator.
- (1) An independent mediator agreed upon by the parties; or
  - (2) Another judge to whom the bankruptcy case, contested matter, adversary proceeding, or dispute in such a case or proceeding is not assigned. Should a bankruptcy judge serve as the Mediator in any dispute, TNWB LBR 9019-1 shall not apply and the parties shall comply with the Order Setting Scheduling Conference entered by the Court.

(c) **Effects of Mediation on Pending Matters.** The assignment of a matter to mediation does not relieve the parties to that matter from complying with any other court orders or applicable provisions of the United States Code, the Bankruptcy Rules, or these Local Rules. Unless otherwise ordered by the Court, the assignment to mediation does not delay or stay discovery, pretrial hearing dates, or trial schedules. Any party may seek such delay or stay, and the court, after notice and hearing, may enter appropriate orders.

(d) **The Mediation Conference.**

(1) **Informal Mediation Discussions.** The Mediator shall be entitled to confer with any or all (i) counsel, (ii) pro se parties, (iii) parties represented by counsel, with the permission of counsel to such party, and (iv) other representatives and professionals of the parties, with the permission of a pro se party or counsel to a party, prior to, during or after the commencement of the mediation conference (the "Mediation Process"). The Mediator shall notify all Mediation Participants (as defined in subparagraph (d)(4)(A) below) of the occurrence of such communications, but no advance notice of permission from the other Mediation Participants shall be required. The topic of such discussions may include all matters which the Mediator believes will be beneficial at the mediation conference or the conduct of the Mediation Process, including, without limitation, those matters which will ordinarily be included in a Submission under subparagraph (d)(3) below. All such discussions held shall be subject to the confidentiality requirements of subsection (e) of this Local Rule.

(2) **Time and Place of Mediation Conference.** After consulting with the parties and their counsel, as appropriate, the Mediator shall schedule a time and place for the mediation conference that is acceptable to the parties and the Mediator. Failing an agreement of the parties on the date and location for the mediation conference, the Mediator shall establish the time and place of the mediation conference on no less than twenty-one (21) days' written notice to all counsel and pro se parties. The mediation conference may be concluded after any number of sessions, all of which shall be considered part of the mediation conference for purposes of this Local Rule.

(3) **Submission Materials.** Each Mediation Participant (as defined in subparagraph (d)(iv)(A) below) shall submit directly to the Mediator such materials (the "Submission") as are directed by the Mediator after consultation with the Mediation Participants. The Mediator may confer with the Mediation Participants, or such of them as the Mediator determines appropriate, to discuss what materials would be beneficial to include in the Submission, the timing of the Submission, and what portion of such materials, if any, should be provided to the Mediator but not to the other parties. No Mediation Participant shall be required to provide its Submission, or any part thereof, to another party without the consent of the submitting Mediation Participant. The Submission shall not be filed with the court and the court shall not have access to the Submission. A Submission shall ordinarily include an overview of the facts and law, a narrative of the strengths and weaknesses of a party's case, the anticipated cost of litigation, the status of any settlement discussions and the perceived barriers to a negotiated settlement.

**(4) Attendance at Mediation Conference.**

**(A) Persons Required to Attend.** Unless excused by the Mediator upon a showing of hardship, or if the Mediator determines that it is consistent with the goals of the mediation to excuse such party, the following persons (the "Mediation Participants") must attend the mediation conference personally:

(i) **Natural Persons.** Each party that is a natural person;

(ii) **Corporation or Other Entity.** A party other than a natural person (e.g., a corporation or some other entity or association) satisfies the attendance requirement if represented by one or more persons, other than outside counsel, who have authority to settle and who are knowledgeable about the facts and circumstances of the case and the claims being made.

(iii) **Governmental Entity.** A unit or agency of government satisfies the attendance requirement if represented by one or more persons who have, to the greatest extent feasible, authority to settle, and who are knowledgeable about the facts of the case, the agency's or unit's position, and the procedures and policies under which the agency or unit decides whether to enter into proposed settlements. If the action is brought by the government on behalf of one or more individuals, at least one such individual shall also attend;

(iv) **Other Interested Parties.** Other interested parties, such as insurers or indemnitors, whose presence is necessary or beneficial to reaching a full resolution of the matter assigned to mediation, and such attendance shall be governed in all respects by the provisions of this subparagraph (d)(iv); and

(v) **Attorneys.** The attorney who has primary responsibility for each party's case.

**(B) Persons Allowed to Attend.** Other interested parties in the bankruptcy case who are not direct parties to the dispute, i.e., representatives of creditors' committees, may be allowed to attend the mediation conference, but only with the prior consent of the Mediator and the Mediation Participants, who will establish the terms, scope, and conditions of such participation. Any such interested party that does participate in the mediation conference will be subject to the confidentiality provisions of this Local Rule and shall be deemed a Mediation Participant.

**(C) Failure to Attend.** Willful failure of a Mediation Participant to attend any mediation conference, and any other material violation of this Local Rule, may be reported to the court by any party, and may result in the imposition of sanctions by the court. Any such report shall comply with the confidentiality requirement of this Local Rule.

**(D) Mediation Conference Procedures.** After consultation with the Mediation Participants or their counsel, as appropriate, the Mediator may establish procedures for the mediation conference.

**(E) Settlement Prior to Mediation Conference.** In the event the parties reach an agreement in principle after the matter has been assigned to mediation, but prior to the mediation conference, the parties shall promptly advise the Mediator in writing. If the parties agree that a settlement in principle has been reached, the mediation conference shall be continued (to a date certain or generally as the Mediator determines) to provide the parties sufficient time to take all steps necessary to finalize the settlement. As soon as practicable, but in no event later than thirty (30) days after the parties report of an agreement in principle, the parties shall confirm to the Mediator that the settlement has been finalized. If the agreement in principle has not been finalized, the mediation conference shall go forward, unless further extended by the Mediator, or by the Court.

**(e) Confidentiality of Mediation Proceedings.**

**(1) Protection of Information Disclosed at Mediation.** The Mediator and the Mediation Participants are prohibited from divulging, outside of the mediation, any oral or written information disclosed by the Mediation Participants or by witnesses in the course of the mediation (the "Mediation Communications"). No person, including without limitation, the Mediation Participants and any person who is not a party to the dispute being mediated or the Mediation Process, may rely on or introduce as evidence in any arbitral, judicial, or other proceeding, evidence pertaining to any aspect of the Mediation Communications, including but not limited to: (i) views expressed or suggestions made by a party with respect to a possible settlement of the dispute; (ii) the fact that another party had or had not indicated willingness to accept a proposal for settlement made by the Mediator; (iii) proposals made or views expressed by the Mediator; (iv) statements or admissions made by a party in the course of the mediation; and (v) documents prepared for the purpose of, in the course of, or pursuant to the mediation. In addition, without limiting the foregoing, Rule 408 of the Federal Rules of Evidence, and any applicable federal or state statute, rule, common law, or judicial precedent relating to the privileged nature of settlement discussions, mediations, or other alternative dispute resolution procedures shall apply. Information otherwise discoverable or admissible in evidence does not become exempt from discovery, or inadmissible in evidence, merely by being used by a party in the mediation. However, except as set forth in the previous sentence, no person shall seek discovery from any of the Mediation Participants with respect to the Mediation Communications.

**(2) Discovery from Mediator.** The Mediator shall not be compelled to disclose to the court or to any person outside the mediation conference any of the records, reports, summaries, notes, Mediation Communications, or other documents received or made by the Mediator while serving in such capacity. The Mediator shall not testify or be compelled to testify in regard to the mediation or the Mediation Communications in connection with any arbitral, judicial, or other proceeding. The Mediator shall not be a necessary party in any proceedings relating to the mediation. Nothing contained in this paragraph shall prevent the Mediator from

reporting the status, but not the substance, of the mediation effort to the court in writing, from filing a final report as required herein, or from otherwise complying with the obligations set forth in this Local Rule.

(3) **Protection of Proprietary Information.** The Mediation Participants and the Mediator shall protect proprietary information. Proprietary information should be designated as such by the Mediation Participant seeking such protection, in writing, to all Mediation Participants, prior to any disclosure of such proprietary information. Such designation shall not require the disclosure of the proprietary information, but shall include a description of the type of information for which protection is sought. Any disputes as to the protection of proprietary information may be decided by the court.

(4) **Preservation of Privileges.** The disclosure by a party of privileged information to the Mediator does not waive or otherwise adversely affect the privileged nature of the information.

(f) **Recommendations by Mediator.** The Mediator is not required to prepare written comments or recommendations to the parties. The Mediator may present a written settlement recommendation memorandum to parties, or any of them, but not to the court.

(g) **Post-Mediation Procedures.**

(1) **Filings by the Parties.** If an agreement in principle for settlement is reached (even if the agreement in principle is subject to the execution of a definitive settlement agreement or court approval) during the mediation conference, one or more of the Mediation Participants shall file a notice of settlement or, where required, a motion seeking court approval of the settlement.

(2) **Mediator's Certificate of Completion.** After the conclusion of the mediation conference (as determined by the Mediator), the Mediator shall file with the Clerk a certificate ("Certificate of Completion") notifying the court as to whether or not a settlement has been reached. Regardless of the outcome of the Mediation Process, the Mediator shall not provide the court with any details of the substance of the conference or the settlement, if any.

(3) **If the Agreement in Principle is Not Completed.** If the parties are not able or willing to consummate the agreement in principle that was reached during the mediation conference, the substance of the proposed settlement shall remain confidential and shall not be disclosed to the court by the Mediator or any of the Mediation Participants.

(h) **Withdrawal from Mediation.** Any matter assigned to mediation under this Local Rule may be withdrawn from mediation by the court at any time. Any Mediation Participant may file a motion seeking authority to withdraw from the mediation or seeking to withdraw any matter assigned to mediation from such mediation.

(i) **Termination of Mediation.** Upon the filing of a mediator's Certificate of Completion under subparagraph (g)(2) or the entry of an order withdrawing a matter from mediation under subsection (g), the mediation will be deemed terminated and the Mediator excused and relieved

from further responsibilities in the matter without further order. If the Mediation Process does not result in a resolution of all of the disputes in the assigned matter, the matter shall proceed to trial or hearing. However, the court may, upon the consent of the parties, reinstitute the Mediation Process if the judge determines that such action is the most appropriate course under the circumstances. In such event, this Local Rule shall apply in the same manner as if the mediation were first beginning pursuant to this Rule.

- (j) **Applicability of Local Rules to a Particular Mediation.** The court may, upon request of one or more parties to the mediation, or on the judge's own motion, declare that one or more of provisions of this Local Rule may be suspended or rendered inapplicable with respect to a particular mediation except subsections (e) and (k). Otherwise, this Local Rule shall control any mediation related to a case under the Bankruptcy Code.
- (k) **Immunity.** Aside from proof of actual fraud or other willful misconduct, Mediators shall be immune from claims arising out of acts or omissions incident or related to their service as mediators appointed by the bankruptcy court. *See Wagshal v. Foster*, 28 F.3d. 1249 (D.C. Cir. 1994). Appointed Mediators are judicial officers clothed with the same immunities as judges and to the same extent set forth in Title 28 of the United States Code.

**TNWB LBR 9072-1  
EXHIBITS**

After the final determination of any contested matter or adversary proceeding, counsel shall have thirty (30) days to withdraw exhibits introduced into evidence. If exhibits are not timely withdrawn, the Clerk may destroy them without further notice unless the court orders otherwise.

**TNWB LBR 9074-1  
SUBMISSION OF PROPOSED ORDERS**

- (a) **Consent Orders.** Parties may submit proposed orders for approval and entry that are not dispositive of any prior pleading but which may be issued upon consent or stipulation of all affected parties. Such orders shall be signed by all affected parties as provided in subsection (e) of this Rule.
- (b) **Proposed Orders.**
- (1) **Chapter 12 Cases.** Before submission to the Court, all proposed orders in Chapter 12 cases shall be submitted to the Chapter 12 trustee for signature as a party in interest who shall approve or disapprove the proposed order within seven (7) days after receipt. After signing the Chapter 12 trustee shall submit all proposed orders to the court for approval and entry.
- (2) **Chapter 13 Cases.** Before submission to the Court, all proposed orders in Chapter 13 cases shall be submitted to the Chapter 13 trustee for signature as a party in interest who shall approve or disapprove the proposed order within seven (7) days after receipt. After signing the Chapter 13 trustee shall submit all proposed orders to the court for approval and entry.

- (c) **Orders on Bench Rulings.** When the court announces an oral ruling in any matter, the judge may direct that the prevailing or other party prepare a proposed order that briefly and accurately sets forth the ruling and present it to other counsel for approval. Once approved by all parties, the proposed order should be presented to the court for approval and entry not more than ten (10) days after the ruling. If the parties cannot agree on the content of an order, each party (or the parties jointly) shall file a written motion for entry of an order accompanied by their proposed orders. Before such motion is made, the attorneys for the parties must listen to the audio recording of the ruling and certify that they have done so.
- (d) **Form of Orders.** The caption of all orders must contain the name of the debtor and the case number. The caption of orders submitted in adversary proceedings must also include the adversary proceeding parties and number.

(e) **Signatures on Orders.**

(1) **Required Signatures.** An order in any contested matter or adversary proceeding must be signed electronically by the parties or their attorneys before it is submitted for approval and entry. An order in any uncontested matter must be signed by the party or attorney who prepared it before it is submitted for approval and entry. A consent order within the scope of these Local Rules must be signed by the affected parties or their attorneys before it is submitted for approval and entry. In addition, orders in Chapter 12 and 13 cases must be signed by the standing Chapter 12 or 13 trustee before being submitted for approval and entry.

(2) **If a Required Signature Cannot be Obtained.** In the event that the attorney who prepares an order is unable, after diligent effort, to obtain the required signatures, that attorney should submit the order for entry with the following certificate:

I, \_\_\_\_\_, certify that I, as counsel for a party to this proceeding or matter, have mailed, by first class mail, postage prepaid, emailed, or sent by other electronic means [specify means], on the \_\_\_\_ day of \_\_\_\_\_, \_\_\_\_\_, a copy of this order to all opposing parties and/or counsel, giving them at least ten (10) days to approve and return the said order to me. I further certify that an approved order has not been returned to me by [name of party or counsel]. I further certify that I have on [at least three business days prior to submission] notified said party or counsel that this order is being submitted for entry.

\_\_\_\_\_  
Signature

Date: \_\_\_\_\_

- (f) **Service and Notice of Entry.** The Clerk will cause a copy of all orders approved and entered to be served upon the parties indicated in the request for service which should be contained in the order.
