

To: ECF users
From: United States Bankruptcy Court, Clerk's Office
Western District of Tennessee
Date: November 1, 2005

Subject: Rerun of e-mail notifications from ECF

Periodically, the Clerk's Office receives requests from end users to resend e-mails which have successfully been delivered by the ECF system to the end user. Effective immediately, the Clerk's Office will no longer be able to satisfy such requests.

Users are reminded that ECF allows an alternate e-mail address, which will receive all e-mail sent to the primary address. In the event that through circumstances beyond the users' control, e-mail messages are inadvertently deleted, the user should use that alternate e-mail address to gain access to the missing notice(s).

Thank you for your understanding and cooperation.
