Case No.

Debtor(s).

Chapter 7

**ORDER GRANTING DEBTOR(S)' MOTION TO AMEND SCHEDULES TO ADD OMITTED
PREPETITION CREDITOR(S) COMBINED WITH NOTICE OF THE ENTRY THEREOF**

It appears that the debtor(s) filed a motion pursuant to FED. R. BANKR. P. 1009 seeking to amend the Schedules to add certain originally omitted prepetition creditors, which motion was noticed by debtor(s)' counsel to the affected creditor(s), and that no objection to the motion has been filed nor has a request for hearing been made by a party in interest. It also appears that this is a no asset case in which no proofs of claim need to be filed at this time.

Based on the foregoing and the case record as a whole:

The debtor(s)' instant motion is granted, that the creditor(s) shown on the bottom of this order (or attachment) is/are added to the debtor(s)' schedules and that such creditor(s) shall have until _____ to file any objections to determine dischargeability that may be required to be filed under 11 U.S.C. § 523(c) [and/or any complaints objecting to discharge of the debtor(s) under 11 U.S.C. § 727(a)]. In the absence of filing of such complaint(s), after the expiration of the deadline, the debtor(s) shall be entitled to a discharge of the added debt(s), unless a debt is of a type not addressed by a routine chapter 7 discharge, in which event either the debtor(s) or the affected creditor(s) may file an appropriate complaint to determine dischargeability.
